DISTRICT NEWS

Gathered by our own staff of wide-awake correspondents.

Hillside.

The wind storms of the early
part of the week, came with con-
siderable force over this district,
upsetting stacks of hay and grain.
The wind lasted for two days.

On Friday H. M. M. went east
with the intention of visiting sev-
eral settlers. However, the mail
was safely delivered on Saturday,
when it transpired the letter car-
rier, owing to the darkness of the
night, mistook the road and was
most hospitably taken care of by
Mr. Young.

It would be interesting to a good
many to see the piece of work be-
ing executed by a young lady at
Millet in which the names of many
young men appear. These are be-
ing worked out in an artistic man-
ner and some of our Hillsideers have
bestowed their penmanship, pos-
sibly poor victims for a future
teasing.

I hear that the "Episcopal
Methodist" chapel at Millet was
well filled. This I am glad to hear;
they evidently are going on as
they should, but I would like to
know who are to be the governing
bishops. I understand Episcopal
means belonging to, or vested in,
bishops or prelates or governed by
bishops. One thing, Episcopal
Methodists will be a novelty.

The arguments about the devil
could, no doubt, be made of a very
interesting nature, especially by
some who trade with him, but I
can hardly imagine the two young
men at Millet, who spoke so much
of him on Sunday, are sufficiently
acquainted with his Satanic maj-
esty as to give accurate informa-
tion, but Sunday is as good as any
other day for debating and after
school there was plenty of time.

On Thursday last the Rev. El-
ias of Wetaskiwin, was on a visit
to Mr. Hoover's with the inten-
tion of making calls in this district,
but unfortunately, when the gen-
tleman has only got one of the
traces undone, the horses started
off, dragging him some consider-
able distance and severely shaking
him. We trust ere this he is quite
recovered and that his visit will
not be long deferred and that
it will be more fortunate.

Bittern Lake Breeze.

Carl Feltzer is assisting Mr. Rop-
er with his hay.

Miss Anna Feltzer is spending a
short time in Wetaskiwin.

Miss Clara Saunders is visiting
in Wetaskiwin with Mrs. (Rev.)
J. Smith.

Mr. Grant, is the holder of a party
soon to start for the Peace River
country to locate.

Mr. Geo. A. Bryan, public school
inspector, visited our school in his
official capacity last week.

Mr. and Mrs. A. E. Tyde, of
Wetaskiwin, spent Sunday and
Civic Holiday with Mr. Hoover.

Master Leon Lindsay has left
to reside a year or so with his
grandmother and attend college.

Mrs. E. Hoover has returned
from a visit to Strathcona accom-
panied by her granddaughter Miss
Edna Auld, of Winnipeg.

Many geese are to be seen around
the lake these days. A few of the
lucky ones are getting scarce. Mr.
Trevelan has five to his credit so
far.

A number of the young people
of this district spent a very pleas-
ant evening at "Peters" last Friday
evening at the home of Mr. S. P.
Saunders.

Mr. Montgomery has sold his
property at the head of the lake.
Mrs. Montgomery and Master
Fred are leaving for the Old Coun-
try shortly.

Rev. Mr. Schunke and wife vis-
ited Mr. Weiser a week ago Sun-
day. Mr. Schunke conducted the
service for the day in his
house, and admiring the accom-
modations of the "St. Stephen".

Mr. Turnbull, a our preacher, had
a very narrow escape from being
strangled. Last week his horse
stumbled and fell into a hole
and he was caught with his
arms and the loss of a few
pounds of skin.

Reserve.

A. A. Goodland was on a week's
trip to Olds, returning on the 28th.
Mr. Grant went to Red Deer on
the 23rd looking up some Indian
deeds.

We are glad to report that Robt.
Grant is convalescing after a
very weak yet.

Mrs. Gorman, wife of Rev. Ger-
man, returned on the 5th from a
trip to the coast.

Rev. C. E. Somers, supt. of
the Red Deer Industrial School, paid
the Reserve a visit about three
weeks ago.

Our people are all busy cutting
timber. The most of it will
be cut this week. They have put
out a lot of hay this week in the
North of Scotland.

Millet.

Harvest is in full blast.
James Blades is plastering his
new house.

Harvesting is nearly finished
near Millet.

Mrs. J. K. Gray visited Mrs.
Gordon Sunday.

The surveyors are here laying
off more town lots.

Fred Blades and wife visited
Leduc friends last week.

John Avery has sold his farm to
P. J. Mullen. He will leave shortly
for South Dakota.

Our new lively stable is nearing
completion. Mr. Darnell is doing
the work.

Mr. Bean was offered \$10 per
acre for his farm, but refused to
sell.

Owing to the excellent crops in
this district, the price of farm land
has gone up considerably.

A harvest festival will be held
in the new Methodist church on
the evening of September 21st at
7.30.

Two carloads of immigrants ar-
rived in the village on Sunday
morning from South Dakota. They
will locate on s e 4 s 4 s 24.

Hero Gray says that if it was not
a black calf that climbed the tree,
even if the Hillside people think
so. He positively states that it
was a bear.

The news of the death of Mrs.
Charles Vannatter came as a great
shock to her many friends and the
sympathy of the community is ex-
tended to the bereaved husband.
The funeral took place at the new
cemetery on Wednesday, Sept. 10,
services being conducted by Rev.
Kennedy.

Highland Park.

Thos. Olson is assisting Andrew
Johnson during harvest.

Mr. and Mrs. Chas. Snider re-
turned from town Wednesday after-
noon.

Miss Mary Lauder returned to
Strathcona much to the regret of
several of our worthy bachelors.

The merry hum of C. A. La-
Pointe's harrower was heard Mon-
day afternoon as he harvested the
crop of Chas. Davidson.

Some of the people in the neigh-
borhood are either so modest (?)
or so sensitive that they don't want
what is reported of them. Can't
help it. If the shoe pinches they
must not wear it. But we report
just the same.

The gentlemen (?) who make a
practice of hunting ducks on Sun-
day make it rather annoying for
their neighbors. The N.W.M.P.
should get after them. Please and
make an example of them.

The home and hearts of Mr. and
Mrs. Andrew Johnson were made
new girl Tuesday. Mr. and
child are doing well and congrat-
ulations are in order also the treats.

Additional Town Topics

The Conservative leaders are ex-
pected to arrive at Strathcona on
Monday, 22nd inst. They will ad-
dress a public gathering that evening
in Rose Hall. On the evening of
the Tuesday following they will
address a meeting in Edmonton.

It is probable that members of the
party will also address gatherings
at St. Albert and Fort Saskatchewan.
Why are they not holding a meet-
ing in Wetaskiwin?

The twenty first annual report
of the C.P.R. Co., issued last week
shows the gross earnings for the
year ending Dec. 31, 1902 to have
been \$37,760,353; the working ex-
penses were \$23,417,141, and the
net earnings \$14,343,212. After
deducting all other charges, etc.,
the surplus was \$7,209,913. From
this there were dividends paid and
declared of \$1,495,840. The sur-
plus earnings account amounts to
\$14,155,634. The working expenses for
the year amounted to 62.44 per cent of
the gross earnings, and the net earn-
ings to 37.55 per cent as compared
with 60.75 and 39.25 per cent, re-
spectively in 1901. The earnings
of the passenger per mile were 1.75
cents, and per ton of freight per
0.75 cents, as against 1.53 and 0.79
cents respectively in 1901. The
sales of the company's steamers, were
1,392,832 acres, for \$4,442,126, an
average of \$3.20 per acre, as com-
pared with \$3.05 per acre in 1901.
Four hundred and eighty miles of
eighty-pound rails are being laid
on the main line this season, as it
before the end of 1904, the direc-
tors hope to have the lighter rails
replaced on all the main lines.

Sweeping Reductions...

The Recent Storms

Have upset the most carefully laid plans of a great many people.

We are no exception, as we made heavy cash purchases in every
line of goods, but the prospects have changed, and the price of goods
must change to suit the times.

We have already made SWEEPING REDUCTIONS
in the prices of our immense stock of Dry Goods, Boots and Shoes,
Ready-made Clothing, including all Gents' Furnishings, and

We now offer as a further reduction
a Cash Discount of 10 Per Cent. on all

BUTTER AND BUTTERFATS IN CANS

Ernest Hedstrom,

WETASKIWIN.

THE WETASKIWIN TIMES

THURSDAY, SEPTEMBER 18, 1902

Town Topics.

Monday was the first day of the chicken shooting season.

Whip Sharpe spent Civic holiday with friends near Ponoka.

C. C. Reed, real estate agent of Ponoka, was a caller in town last week.

A very pleasant dance was given in Horie's Hall last Monday evening.

A bridge is being built across the creek on Railway street near the creamery this week.

Monday last was Civic holiday and was generally observed by all places of business being closed.

Miss Effie Eggleston, who is attending high school at Strathcona, spent Civic holiday at her home here.

John West returned on Tuesday evening's train from his eastern trip. He was absent about three weeks.

Mrs. Hoover, of Bittern Lake, returned on Tuesday's train from her three weeks' sojourn with Strathcona friends.

Walter Clarke, Educator's favorite comic singer, is expected to be here on Thursday evening of next week to aid in the fund concert.

Mr. Manning of the Edmonton branch of the Le Reliance Bank, is relieving here while the manager, V. C. James is taking his vacation.

Saturday's train did not arrive in town until after eleven o'clock. The delay was caused by the engine breaking down near Carstairs.

E. J. D. Larson, brother of "Robt. A. Lawrence," who has been staying in town since shortly after the latter's arrest, left on Monday's train for Chicago, where he has been employed.

Eggleston & Barnhill are having their heavy feed and sale stock moved to the rear of their lot this week, prior to the erection of a large annex to the front. When this addition is completed they will make a rustic for business.

R. E. Woodman expects to leave soon for Wetaskiwin to study dentistry with Dr. E. H. Hall formerly of this town. Mr. Odis Lyman who is now residing in Dr. Hall's house, is expected to arrive in town on Tuesday morning. Mrs. Tomlin's many friends regret to hear of the accident.

W. J. McNamara & Co., moved their real estate office to the new Rossmore block this week, where those needing same in real estate should call.

A. S. Rosenroll moved his office from the Imperial Bank building to his new office on Tuesday. Mr. Rosenroll now has the best office building in town.

For the month of August the Edmonton Land Office made 202 home loan applications and received fifty-two applications for patent. This is almost double the business for the same month in 1901.

John Ross, of Edmonton, one of the earliest settlers in Northern Alberta, and who is held in the highest esteem, was in town Tuesday in the interests of his extensive real estate and commission business.

Mrs. Hayes, of Winnipeg, mother of J. A. O'Neill Hayes, arrived in town on Friday of last week to visit her son and other friends here. She was accompanied by her son J. C. Hayes and her daughter Miss Hayes, of the same city.

W. A. Howard, of Harlem, Mont., a friend of J. K. Gray, of Millet, this week purchased the McKeever property north of town, and also the Ireland ranch at Bittern Lake. He is an extensive stockman and knows a good section of the country when he sees it. He returned to Harlem on Wednesday's train and expects to return with his family about the 25th of next month.

V. C. French made a business trip to Edmonton on Saturday night's train. The north town is experiencing a boom at the present time caused by the prospect of having the train running across the river shortly. A large gang of men are employed on the construction of the spur, and everything appears to be running along very smoothly. A large gang is also employed in excavating for the new water works and sewerage system there.

A very painful accident happened to Mrs. Tomlin, sr., on Monday of this week, just as the south bound train came in. She was tying her horse to a post near the post office when the animal, hearing the train, jerked backward, catching the thumb of her right hand between the rope and the post, with the result that the bone was badly torn and lacerated from the end of that member. It was found necessary for the doctor to amputate the thumb at the first joint Tuesday morning. Mrs. Tomlin's many friends regret to hear of the accident.
